MOTION FOR EXPEDITED STATUTORY TEMPORARY INJUNCTION HEARING

The State of Tennessee, by and through its Attorney General and Reporter, Robert E. Cooper, Jr., moves this Honorable Court to set an expedited hearing on the State's Motion for Statutory Temporary Injunction in this matter given Defendants are promoting additional seminars to Tennessee consumers and Defendants have not registered the required bond with the State of Tennessee.

The State is simultaneously filing its Motion for Statutory Temporary Injunction and Exhibits, and the Memorandum in Support, which are incorporated by reference to this Motion.

The State has attached hereto a proposed Order setting the hearing on its Motion for Statutory Temporary Injunction.

The State submits that exigent circumstances exist because of Defendants' on-going unlawful conduct and that a hearing needs to be set as soon as possible.

The State further moves, that given the exigent circumstances, any applicable local rules or rules of civil procedure should be waived for good cause, permitting this hearing to be handled in an expedited manner and permitting this pleading and the Order setting the hearing and other orders relating to the State's Motion for Statutory Temporary Injunction may be served via facsimile or overnight express courier service on Defendants or, if Defendants obtain counsel, through their counsel, though the State will provide an original sent via United States Mail.

Respectfully submitted,

ROBERT E. COOPER, JR.
Attorney General & Reporter
